

Sugar Bowl Ski Club

2019 – 2020 Season

The Sugar Bowl Ski Club engages skiers and riders from across the Western states who celebrate life and sport at Sugar Bowl Ski Resort. Our members contribute to a colorful history of skiing on Donner Summit dating back to the 1930s. Each year we sponsor social events and ski outings for our members. Our goal is to provide our members with a great time on and off the slopes. The Ski Club is a member of the the Far West Ski Association and a member of the Sierra Council. SBSC is a major supporter of the winning Sugar Bowl Ski Team and Academy.

Please mark your calendar for our events.

Specific details of each event will be sent to all members via email as the event approaches.

Kickoff Party at Sugar Bowl

Friday, **December 29**, 2019

5:00 – 7:00 PM

5710 Tiger Lily Court

Join your Ski Club friends at this apres-ski party! The Knauf family has graciously offered to host the Ski Club at their spectacular new home. Fine food and drink shall buoy the evening.

Chris Parker, Sugar Bowl's Vice President of Development, and Pat Malberg, Ski Club board member, will be at the party to introduce us to the ongoing activities of the Donner Summit Area Association. This association represents the people of the historic Donner Summit community for the preservation of the area's rugged mountain character and natural resources, providing coordination for community development. Sugar Bowl and Royal Gorge ski areas are a vital part of Donner Summit and clearly benefit from the planning by the Association.

Sidecountry Skiing

Presidents' Day Ski Week
Backcountry Adventure Center

The Ski Club will plan with a guide from Alpine Skills International to take ski club members into the backcountry. In years past we've explored the powdery terrain on either side of Anderson Ridge, skied out Coldstream Canyon, and even trekked to Squaw Valley.

This season we'll tailor the day based on snow and weather. Participants who wish to rent back-country ski touring equipment for the day may do so with at Sugar Bowl's Backcountry Adventure Center or in Truckee. More details to be announced.
